MEET THE NEW GEN-2.

Now available in a hot fiery red along with a host of additional upgrades, the Gen-2 is back and bolder than ever. With its streamlined body, luxurious interior and dynamic ride and handling, it's all you could ever dream of. Right down to its affordable price. So come and discover the style to be spotted in this season. Because it's time for a new look.

Excellence at your fingertips.

Spacious ergonomic design with thoughtful touches that ensure comfort and convenience for pure driving pleasure.

A bold new look.

A daring new body colour accentuated by a black top adds a distinctive and exclusive new look.

A dashing new interior.

Step into a world of luxury within the Gen-2, now with comfortable leather seats*.

Attention to detail.

Refined door trim finishing that's just easy on the eyes*.

Impressive from every perspective.

Sporty alloy rims that add a striking presence.

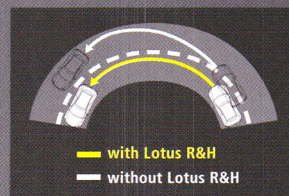

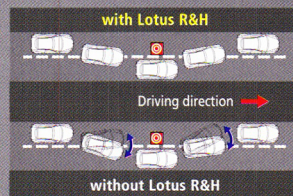

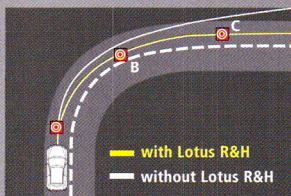

*Only available in High-Line

Naturally, the new Gen-2 reflects your stylish personality with its sleek and sporty profile. Designed to compliment your daring lifestyle, you can be sure that every journey becomes an enjoyable experience.

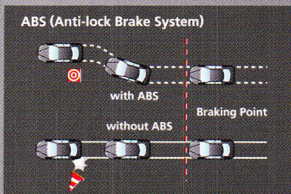

SAFETY.

Lotus Ride & Handling.

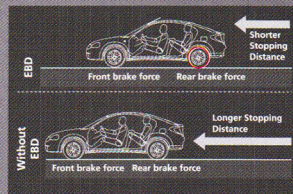

- Safe and secure ride.
- Precise and progressive steering response.
- Secure and agile handling for vehicle stability while cornering and changing lanes.

ABS & EBD

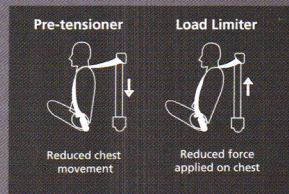

ABS with EBD helps stabilize the car on slippery roads and prevent accidents.

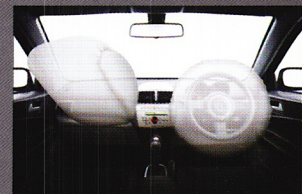

EBD monitors weight distribution between the right and left wheels to decide the best balance possible for stable braking.

Pre-tensioner Seat Belt

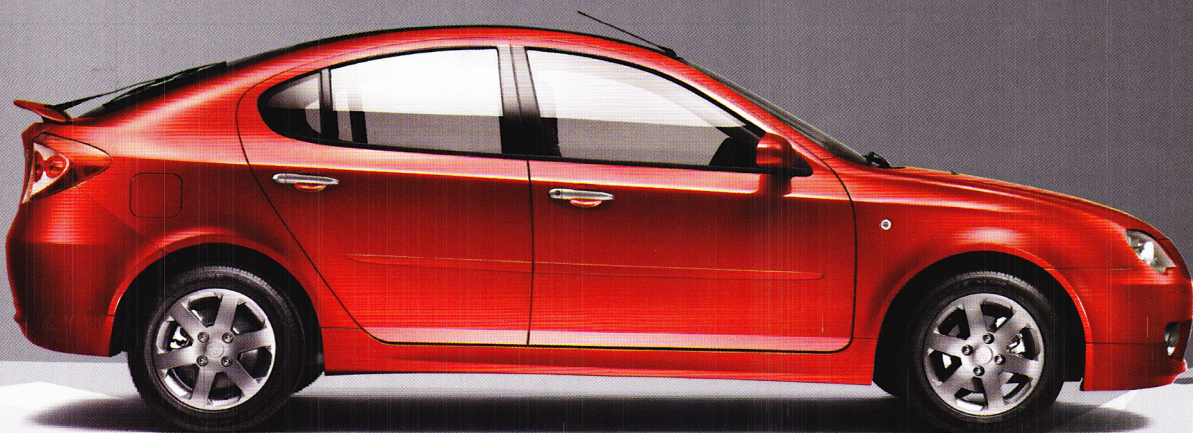

Pre-tensioner seat belt helps slow upper body movement during a sudden crash.

Dual Airbags

Dual SRS airbags protect both driver and passenger from severe injuries in the event of collision.
