Written by anna cardona

After several weeks of wondering endlessly to his mom, about "when will Ate Anna make my songs a REAL hymn?" **Ralph Hipe's** first hymn, **THE SONG WE SING** (original title: THE SONG WHAT WE SONG) which he had already tagged in green glitter ink as PAGE 222, was added to the Fellowship Hymnal, on the occasion of last Sabbath's **Interactive Bible Study: Make your own psalm, prayer, or epistle...**

"With surprise song," this intense 7-year old had written on his draft, and we can only imagine what delight this brought to our Almighty Father, the Lord Jesus Christ and the Heavenly Hosts!
