We are one of the leading men's designer clothing brands in UK. We currently have 2 stores in Bolton and Wilmslow. Nortonbarrie.co.uk started in 2010 and has established itself as a successful business in the e-commerce sector. It has been designed to be another addition to our already thriving business. You can now shop online with confidence and experience the best brands and latest trends as well as exceptional advice on fashion and a great customer service.

Why Us

We only stock items from the most reputable sources, and the authenticity of every brand and/or manufacturer is guaranteed. We inspect every item before it is shipped, and all goods are shipped fully insured in case of loss or damage. However, if an item that you have ordered is not as it was described on the site or wish to cancel the order*, this can be done within 7 working days which begins the day after receipt of the goods. Goods must be returned unopened and undamaged at customer's expense and a refund, less the original shipping costs will be issued within 30 days of goods return.

Condition of Sale

All prices are inclusive of Value Added Tax at the current rate. All goods are subject to availability. We reserve the right to alter the price or specification of goods supplied by us at any time without prior notice. All goods are sold subject to the prices prevailing at the time of purchase. In the event that either the chosen product is unavailable or the price has changed you will be informed before your order is processed. If your order is of substantial value (£100 plus) and you haven't ordered from us before, then we may ask you to provide a utility or phone bill with the your name and details on it.
